Notice

1. School starts from Monday, February 22.
2. New master or doctoral program students who will perform experiments in the laboratories are required to attend "Safety Trainings" and pass a test. If not, you are not allowed to enter the laboratories and perform experiments.
3. Registration procedures should be completed on the registration day. If you do not register on time, we will reject your registration unless you apply for [late registration](#), permitted by the Division of Registration.
4. Only those who complete the registration procedures and submit the Registration Procedure Form will obtain the student ID card or Student Certificate.
5. Please do not pay your tuition if you apply for [admission deferral](#), leave of absence or withdrawn before the registration day. You have to pay for your tuition if you apply for admission deferral, leave of absence or withdrawn after the registration day and the tuition fee will be refunded to you by percentage according to related regulations. Be sure to keep your tuition receipt for record.
6. The tuition payment day is due on February 22. Be sure to pay before that. In accordance with the Regulations 10, Students shall make the tuition and fee payments on or before the day when each semester starts (the exact date is published in the academic calendar of the university). A student is deemed to have completed the registration process when s/he completes the tuition and fee payments. **Student who fails to complete the registration process within five days (starting from the second day of the beginning of the semester) shall apply for late registration.** The period of late registration shall be two weeks after the semester starts. **Student who fails to complete the registration process after the late**

registration period ends, shall be deemed to have withdrawn from the university unless s/he makes an application for and is approved to further postpone her/his payments.

7. In order to complete registration, you should finish the online New Student Enrollment System and on the spot registration procedures.
8. In accordance with the Regulations 37, Students who intend to pursue a double degree program shall file an application to his academic unit before starting such a program. If such an application is not approved, the double degree program will not be recognized. When a student continues to pursue a double degree program without the approval of his academic unit, the student shall be deemed to have withdrawn from the university at the point when this fact is discovered. The review criteria for double degree program shall be established by each academic unit.
9. Download campus map website: <http://www.nthu.edu.tw/campusmap>
